To Whom It May Concern:

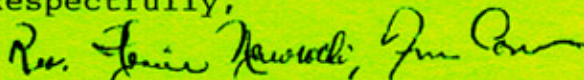

St. Michael's Roman Catholic Church of Bridgeport, CT is totally satisfied at the work completed by Eric Russak and his able colleagues.

He and his magnificent team of fine workers displayed professionalism constantly and consistently not only in their respective crafts, but also with their fine personalities and instant courtesy.

Also, rarely heard are such comments after a completed project: if anything needs attention, please contact us immediately. Such mannerisms only underscore and accentuate the caliber of these artisans.

Should any further or particular information be necessary, the priests at St. Michael's parish would be delighted to oblige.

Respectfully,

(Rev.) xavier Nawrocki, OFM Conv.
Pastor
